

John's Living Room Essay (Original)

The main room in our house is the living room. We spend a lot of time in this room. We like to watch movies, different TV programs, cartoons. We have a big TV and very good stereo system. Dad likes to listen to music very much. He bought very big, powerful loudspeakers. I like to listen to music too. The sound is clear and perfect. My father listens Jazz and classical music ,but I like to listen rock music. My favorite rock group is Rammstein. I have been to their concert last summer. It was very exciting. I have never seen such show. There is a piano next to the loud speakers. My younger sisters are study to play piano in the musical school. My sister Vasilisa plays piano very well. There is a painting on the loudspeaker. My younger sister Arisha likes to draw very much. This is a portrait of my mother. There is a model of motorbike. This stuff bought my younger sister when we had been in Turkey. There is a bust of Pushkin and a few CD on the another loudspeaker. There is a wall clock on the wall. This clock my dad got on his birthday. There is a painting above the piano. This painting drew my older sister Mary when she had studied in the art school. There is a model of ancient ship. My sisters are like to construct constructor. There is a toy of kangaroo. My sister won in the math competition and she got this toy as a prize. There is a big window in this room. This window coated with curtains.

There was a Christmas day recently. That is why holiday decorations are hanging on the curtains. My mother allowed to draw a painting on the wall. My sister Arisha drew an elk. She likes animals very much. There is a sofa and two arm-chairs. We like to watch different movies and cartoons. My father and mother are like to watch detective movies and thrillers. My brother and my older sister and I are like to watch horror movies. My younger sisters are like to watch cartoons. They are like to watch Disney channel very much. We are sit on the sofa and watch a movie.

There is a wall furniture behind the sofa. Wall furniture is consist of a few cabinets. We are keep home clothes and linen in the first cabinet. We are keep dishes for holiday. There is a lot of books between the middle and last cabinet. Dad collected this books for our education. He bought a lot of classical books. But I don't like to read books on Russian language. I am trying to read books on English language. I read the book "THE WONDERFUL WIZARD OF OZ" recently. I was excited. It was my first English book. There is a collection of dolls underneath the middle cabinet. This dolls was dispatched from America. My parents met American people who belongs community help for Russian large families. We got a lot of parcel for a long time. This dolls are very beautiful. My sister are like it very much. There are a few icons behind the dolls. There is a ream of music notes. Vasilisa uses them to play piano. There are a lot of clothes in the last cabinet. There is an electric guitar on wall. Maria sometimes plays on this guitar. She has finished a music school. I like to listen when she sings. there is a steam iron under the guitar. When we were going to change wall paper parents allowed to draw on the wall. It was very awesome. All children are dream to drawn on the wall. And when the chance appeared we had delighted. I like this room because it is very comfortable. I like to spend my free time there.
